

Travel the World's Religions

All welcome!

A new educational series from the Victoria Multifaith Society (VMS) visits Victoria's centres of the world's great religions. The goal: to create opportunities for people to familiarize themselves with each religion, mingle with people of other faiths and feel comfortable and welcome within each space. VMS plans to create passports that can be stamped at each visit.

First stop:

Chabad Centre for Jewish Life and Learning

2955 Glasgow St., Victoria

Thursday, June 8th

4:00 p.m. – 5:30 p.m.

Visit the Chabad Centre for Jewish Life and Learning www.ChabadVI.org for an inside view of the beautiful new synagogue, the first to be built in Victoria in 153 years. Learn the basics about Judaism from Rabbi Meir Kaplan, followed by light refreshments.

Parking is available at the synagogue or at Topaz Park across the street. Or walk from the #6 bus which runs every 10 minutes on nearby Quadra Street. Men can wear the head covering (kippah) provided or their own hat in the synagogue's sanctuary. Chabad looks forward to welcoming VMS and members of the public who would like to attend.
