Every year in September the Hindu temple welcomes people of all faiths to a multifaith gathering, to celebrate our essential unity.

### **Program**

All present will sit for puja (prayers) to open. From 7 - 8 p.m. there will be devotional songs and chants from a variety of world faiths, and aarati, when all stand and sing in praise of the deity, with lamps being offered. The program will conclude with a shared Indian meal and time to mix and mingle. Please see the map link for directions to the Hindu Temple, [1934 Cultra Ave.](#)
